Y6 SATs

Next week is SAT's week for the children in Year 6. All the children have prepared well over throughout the year, please try to make sure that they have a relaxing weekend and get to bed early each night Sunday - Wednesday!

To help the Y6 children have a settled start to each day, school will provide them with a hearty and healthy breakfast each morning, we ask that they arrive at school for **8:30am** Monday – Thursday.

We are looking forward to seeing them shine next week!

Relationship & Sex Education Parents

Workshops

As I'm sure you are all aware it is compulsory that schools provide RSE throughout a child's education, last year we adopted a new scheme called "A Journey in Love"; all classes will be studying this during the final half term. We will be providing parent workshop, so that you can see exactly what your child will be learning. We encourage everyone to attend:

Nursery & Reception: Monday 21st May @ 3pm

Y1 & Y2: Tuesday 22nd May @3pm

Y3 & Y2: Wednesday 23rd May @ 3pm

Y5 & Y6: Thursday 24th May @ 3pm

If you are unable attend we can provide an overview of the meeting.

School Website

Please remember that the school website has lots of information on including **diary dates** and school holidays, as well as school policies and procedures.

Online Safety

Sadly some children have been approached by adults online, I am pleased to report that the children involved dealt with this appropriately and the authorities are dealing with case.

Please be vigilant in monitoring your child's online activities.

Headlice

There have **again** been reports of headlice in school this week. Please make sure you check your child's hair regularly and use the treatments recommended in the letter we shared previously.
