Road Safety: Cars on Pick Up Street

Please could everyone driving to school ensure that they **drive slowly** on Pick Up Street.

There have been a number of near misses recently. The street is very congested and there are children present. We really do not want there to be any accidents.

Library Books

Our library is enjoyed by all children in school, and is a very important resource.

Unfortunately some of the books have been ruined for others enjoyment, by children writing in them. Please could everyone make sure that their children take care of the books they borrow from the library and do not spoil them by writing in them.

Dogs on the School Grounds

A polite reminder that dogs are not permitted on the school grounds (no matter what size) for health and safety reasons. Some children have become upset at their presence. Thank you for your support in this matter.

Headlice

There have again been reports of headlice in school this week. Please make sure you check your child's hair regularly and use the treatments recommended in the letter we shared last week.

Attendance

I am so pleased that we have seen an improvement across the school this term.

Thank you to everyone for their support. Please remember all absence at any age leads to gaps in your child's learning. This in turn can:

- mean that they fall behind in work
- affect their motivation
- affect their enjoyment of learning
- lead to poor behaviour
- affect their desire to attend school regularly
- affect their confidence in school

- mean they miss out on the social life of school and extra curricular opportunities and experiences
- affect their ability to have or keep friendships.
