Attendance Officer

We met our new attendance officer Simon Wetton this week. He will be working closely with the school and families to improve our attendance. He will be writing to parents of children whose attendance was less than 90% last year.

Can you or your family help us?

We are always keen to hear from parents, carers, grandparents, or other family member or community members who can help us in different ways in classrooms and around the school. Examples might be talking to a class about your job, sharing knowledge about cultures, customs or languages. Maybe a member of your family can help children with their reading or spelling skills or play some Maths games? Perhaps you might like to support us with the library or gardening? If you feel your family can help in any way please talk to a class teacher or contact the office for further details.

School Office Hours

The school office is open from 8:15am - 4:00pm each day. Please make sure that if you need to bring money into school it is within the office opening hours.
